CSA Consultation Paper 51-404 Considerations for Reducing Regulatory Burden for Non-Investment Fund Reporting Issuers

June 22, 2017

On April 6, 2017 the Canadian Securities Administrators (CSA or we) published for comment CSA Consultation Paper 51-404 Considerations for Reducing Regulatory Burden for Non-Investment Fund Reporting Issuers (the Consultation Paper). The Consultation Paper sought input on areas of securities legislation applicable to non-investment fund reporting issuers that could benefit from a reduction of undue regulatory burden, without compromising investor protection or the efficiency of the capital market.

The comment period is scheduled to close on July 7, 2017. We have received feedback from several stakeholders that it would be beneficial for stakeholders to have additional time to review the Consultation Paper and prepare comments. We therefore are extending the comment period from July 7, 2017 to July 28, 2017.
