The Financial and Consumer Affairs Authority of Saskatchewan (FCAA) warns investors of the online entities Cryptospair and European Exchange Pro One Ltd. These entities claim to offer Saskatchewan residents an opportunity to invest and trade crypto currencies, foreign exchange, contract for differences, and precious metals through the online website, www.cryptospair.com.

In Saskatchewan, individuals or companies need to be registered with the FCAA to trade or sell securities or derivatives. Neither Cryptospair nor European Exchange Pro One Ltd. are registered in Saskatchewan.

The FCAA cautions investors and consumers not to send money to companies that are not registered in Saskatchewan, as they may not be legitimate businesses.

The registration provisions of *The Securities Act, 1988* and accompanying regulations are intended to ensure that only honest and knowledgeable people are registered to sell securities and that their businesses are financially stable.
