The Financial and Consumer Affairs Authority of Saskatchewan (FCAA) warns investors in Saskatchewan of the online entity AmCan.

AmCan claims to offer Saskatchewan residents investment in real estate, trusts, investment immigration, and other wealth management products; financial planning; wealth management; investment consulting; fund management; asset management; and risk management.

AmCan claims to have an office located at 415 Wellman Crescent, Saskatoon, Saskatchewan, which is not true.

AmCan is not registered in Saskatchewan to trade or sell securities or derivatives. The FCAA cautions investors and consumers not to send money to companies that are not registered in Saskatchewan, as they may not be legitimate businesses.

If you have invested with AmCan or anyone claiming to be acting on their behalf, contact the FCAA's Securities Division at 306-787-5936.

In Saskatchewan, individuals or companies need to be registered with the FCAA to trade or sell securities or derivatives. The registration provisions of *The Securities Act, 1988*, and accompanying regulations are intended to ensure that only honest and knowledgeable people are registered to sell securities and derivatives and that their businesses are financially stable.
