

Financial Hardship Unlocking - Form FHU 2 Application for Medical Expenses

Effective: March 18, 2022

Note: This application form is updated annually by the FCAA

ONLY USE THIS FORM FOR APPLICATIONS SIGNED IN 2022

Clause 29(8.4)(b) and section 29.02 of *The Pension Benefits Regulations, 1993*

You must use this application form to apply to unlock money from your Locked-in Retirement Account (LIRA) based on financial hardship for medical expenses incurred or expected to be incurred by you, your spouse or a dependant, including expenses for renovations to your principal residence, your spouse's principal residence or the principal residence of a dependant made necessary by an illness or disability.

If you have a LIRA that holds locked-in money earned in another province or if your employment was subject to federal jurisdiction (e.g. banking, television, radio broadcasting, or airlines), this application form does not apply to you. If you are unsure as to which jurisdiction's law applies to your locked-in money, please contact the employer who sponsored the pension plan under which you earned the locked-in money.

You cannot apply to withdraw money from your LIRA under the category of medical expenses more than one time during a calendar year in respect of a particular person.

Submit this completed application form, along with any other required documents, to the financial institution that administers your LIRA. The Superintendent of Pensions does not administer the Financial Hardship applications. Do not send your application form or any other documentation to the Superintendent.

Your application form must not be signed more than 90 days before the financial institution that administers your LIRA receives it.

Amounts withdrawn from a LIRA due to financial hardship will be subject to taxation and tax may be withheld by your financial institution, as required by the *Income Tax Act* (Canada). You should consult with the Canada Revenue Agency for the applicable withholding tax rate. There may be additional amounts that may be deducted by your financial institution. You should ask your financial institution for an estimate of the amount that will be deducted before you decide how much money you want to apply to withdraw, but you cannot apply for an amount greater than the maximum permitted by *The Pension Benefits Regulations, 1993* (the Regulations).

Any withdrawal from your LIRA may affect your eligibility for certain government benefits. To find out more, contact the government ministry or agency that provides these benefits.

When money is withdrawn from a LIRA, the money will lose creditor protection provided by section 63 of *The Pension Benefits Act, 1992* (the Act). In addition, any withdrawal you make from your LIRA will decrease the amount of retirement income you will receive in the future.

Your financial institution will determine if you qualify to withdraw money from your LIRA. If you are not satisfied with the decision made by your financial institution, you should contact the dispute resolution department of your financial institution. Do not contact the Superintendent of Pensions, as the processing of this application is entirely between you and your financial institution.

If your application is approved, the money may be paid to you as a lump sum payment or by transfer to a registered retirement savings plan (RRSP).

This application form and the required information, signatures and supporting documentation are required by the Regulations.

Note: The personal information that you provide on this application form and on any other submitted document is necessary for your financial institution to determine if you qualify to have money released from your LIRA for reasons of financial hardship. If you have any questions about the collection, use or disclosure of your personal information, please check the Privacy Policy of the financial institution holding your locked-in money. The financial institution and its representatives are required to comply with all applicable privacy requirements in dealing with the information provided as part of this application.

Spouse's Consent to Withdrawal and Waiver of Entitlements

If you have a spouse, you may not make a withdrawal from the LIRA unless the financial institution that administers the LIRA receives your Spouse's Consent to Withdrawal and Waiver of Entitlements in Form 6 of the Appendix in the Regulations. Form 6 must be signed by your spouse in the presence of a witness and outside your presence not more than 90 days before the date of the withdrawal.
