All Reciprocal Insurance Exchanges licensed in Saskatchewan

Dear Sir/Madame:

Re: **Saskatchewan Filing Requirement – Annual Return
Reciprocal Insurance Exchanges (“Reciprocals”)**

The Insurance Act (“IA”) requires licensed Reciprocals to submit an annual return that sets out certain information.

Reciprocals shall file the **OSFI P&C Quarterly Return** and the **OSFI P&C Annual Supplement**, obtained from the OSFI website at <http://www.osfi-bsif.gc.ca/Eng/fi-if/rtn-rlv/fr-rf/ic-sa/pc-sam/Pages/pc1.aspx>, as well as the information required by section 2-56 of the IA:

- the name of the reciprocal insurance exchange and the name and address of its principal attorney and of its attorney for service;
- the particulars respecting the reserve fund required pursuant to section 2-61 of the IA and guarantee fund required pursuant to section 2-63 of the IA; and
- the annual return must be signed by the principal attorney and at least two members of the advisory board or committee of subscribers of the reciprocal insurance exchange.

The annual return needs to be filed within 60 days after the end of the financial year to which the return relates.

Please note, all insurers are required to make their annual return submissions through the Financial and Consumer Affairs Authority's (“FCAA”) Registration and Licensing System (RLS). Information for submitting through RLS can be found in the RLS User Guide under the section “Submit Annual and Quarterly Reports – Provincial Insurers”.

A late filing penalty applies to those annual returns not received within the above timeframes. Section 9-18 of the IA states that you will be liable to a penalty of \$1,000, plus \$100 for each day or part of a day after the first 10 days during which the default continues. To avoid being assessed a late filing penalty, insurers must submit their annual return through FCAA’s RLS by the required deadline.

Annual Fees 2022 and 2023:

The new insurance legislation, *The Insurance Act*, made changes to the timing and types of fees collected from insurers licensed in Saskatchewan. Under the previous legislation, insurers paid an annual filing fee each year and a licensing fee every five years. Under the new legislation, the annual filing fee and the licensing fee have been combined into one Annual Fee.

This Annual Fee is due by April 1 of each year and is required to be paid through RLS.

The 2022 Annual Fee was due on April 1, 2022 and this has already been paid.

The 2023 Annual Fee is due on April 1, 2023. The submission of the annual return for the 2022 fiscal period will create and trigger an invoice in RLS that is to be used to pay the 2023 Annual Fee.

Insurers are required to pay special attention to the changes as outlined above and ensure that duplicate payments are not submitted.
