Introduction

This is a guide to using the Financial and Consumer Affairs Authority (“FCAA”) online portal called the “Registration and Licensing System” (“RLS”). This guide is specific to mortgage associates, mortgage brokers, mortgage brokerages and mortgage administrators to provide guidance for each licence type on specific processes and is not intended to provide an overview of the functionality of RLS.

Please take a moment to review our publication “Registration and Licensing System (RLS) Basics” (“RLS Basics Guide”) to learn the basic functionality of RLS, including how to create a user account, how to navigate within RLS and how to submit information through RLS. The RLS Basics guide is available on our webpage and while general in nature, the RLS Basics Guide will assist users to fully learn and utilize the functionality of RLS.

RLS is a secure electronic environment that allows a user to administer a licence or registration; including applying for licensing or registration, submit required filings (collectively called “Submissions” for the purpose of this guide), print a licence and view correspondence regarding a licence.

For the purposes of this guide, “submissions” include, but are not limited to, the following:

- Annual returns;
- Changes of information; and
- Surrendering a licence.

All submissions made through RLS are subject to review and approval by the Superintendent of Financial Institutions (the “Superintendent”) and the Superintendent may require additional information regarding your submission. You will be notified of the status of a submission (i.e. approved, rejected or more information required) by our office.

RLS should be accessed using Google Chrome, Mozilla Firefox, Internet Explorer 11 or Microsoft Edge browsers. Other browsers may result in the system not performing properly.

Please note that all images shown in this guide are for illustration purposes only and may not be an exact representation of the RLS online portal.

Mortgage Associates and Brokers

This section of the guide is specific to mortgage associates and brokers to provide guidance on specific application and compliance processes.

Compliance with Legislation

The Mortgage Brokerages and Mortgage Administrators Act and The Mortgage Brokerages and Mortgage Administrators Regulations provide the legislative framework for the regulation of mortgage brokerages, brokers, associates and mortgage administrators in Saskatchewan. The Act applies to all persons carrying on the business of brokering or administering mortgages in Saskatchewan.

Once you are licensed as a mortgage associate or broker, you must comply with all aspects of the legislation. Mortgage associates and brokers are responsible for ensuring they are familiar with and in compliance with all legislative requirements, including annual and ongoing notification requirements. If you are unsure of your specific legislative requirements or need additional help or guidance, please contact our office (see the “Contact Us” in this guide) or review the guidance available on our webpage.

Licensing Requirements

Mortgage associates and brokers are individuals that broker mortgages on behalf of a licensed mortgage brokerage. Mortgage associate or mortgage broker applicants need to meet both education and experience requirements, or be exempt from these requirements, and be found suitable for licensing.

Educational and Experience Requirements:

Requirement	Associate	Broker

If you are unsure of your specific licensing requirements or need additional help or guidance, please contact our office (see the “Contact Us” section in this guide.)

Apply for a Licence

Before you begin, please ensure you are familiar with *The Mortgage Brokerages and Mortgage Administrators Act* and *The Mortgage Brokerages and Mortgage Administrators Regulations* which outlines the requirements to carry on business as a mortgage associate or mortgage broker in Saskatchewan.

To apply as a mortgage associate or broker, you need to be invited by a Mortgage Brokerage. The invitation is sent from the Mortgage Brokerage’s RLS account. You will receive an invitation to apply by email. Before you can accept the invitation and proceed with the application, you will need to have already set up an RLS account. Please ensure you have reviewed the RLS Basics Guide before accepting the invitation.

All applications made through RLS are subject to review and approval by the Superintendent of Financial Institutions (the “Superintendent”) and the Superintendent may require additional information regarding your application. You will be notified of the status of an application (i.e., approved, rejected or more information required) by our office.

You should have your documentation in order before you begin. If you forget or need to change some of your information, you can save your progress through the application and return to it as you need to. You can continue to make changes to your application until you submit the application to our office. If you need to make changes to a submitted application, please contact our office (see the “Contact Us” section in this guide).

Persons who are not resident in Canada can provide a CRC from a police agency, or another provider. If using another provider, applicants should contact the appropriate regulatory division at the FCAA (<https://fcaa.gov.sk.ca/contact-us>) to ensure that provider will be acceptable.

Transferring Brokerages

Licensed mortgage associates and mortgage brokers who wish to transfer brokerages need to notify their current brokerage and ask that they make a termination submission to the FCAA. Mortgage brokerages are required to notify the FCAA when a mortgage associate or mortgage broker is no longer authorized to broker mortgages on behalf of the brokerage.

The termination submission will trigger the automatic suspension provisions of *The Mortgage Brokerages and Mortgage Administrators Act*. To be reinstated under a different mortgage brokerage, you need to be invited by a Mortgage Brokerage. The invitation is sent from the Mortgage Brokerage's RLS account. You will receive an invitation by email and are then responsible for completing the licence reinstatement application and paying the licence reinstatement fee.

If you are unsure of your specific requirements or need additional help or guidance, please contact our office (see the "Contact Us" section in this guide) or review the guidance available on our webpage.

Mortgage Brokerage

This section of the guide is specific to mortgage brokerages to provide guidance on specific mortgage brokerage application and compliance processes.

Compliance with Legislation

The Mortgage Brokerages and Mortgage Administrators Act and *The Mortgage Brokerages and Mortgage Administrators Regulations* provide the legislative framework for the regulation of mortgage brokerages, brokers, associates and mortgage administrators in Saskatchewan. The Act applies to all persons carrying on the business of brokering or administering mortgages in Saskatchewan.

Once you are licensed as a mortgage brokerage, you must comply with all aspects of the legislation. The brokerage is also responsible for ensuring that every broker and every associate brokering mortgages on its behalf also complies with the legislation.

The legislation requires the mortgage brokerage to have policies and procedures in place that are reasonably designed to ensure compliance with all legislative requirements. These policies and procedures must be reviewed annually by the brokerage's principal broker, who is required to make written submissions to the brokerage if the policies and procedures are not adequate.

If you are unsure of your specific legislative requirements or need additional help or guidance, please contact our office (see the "Contact Us" section in this guide) or review the guidance available on our webpage.

Mortgage Brokerages with an Endorsement

A mortgage brokerage that obtains an endorsement for Money Handling business activities needs to first be approved for licensure as a mortgage brokerage without endorsements. A subsequent submission to demonstrate that the brokerage meets the additional requirements for an endorsement can be made.

These requirements are complex, and mortgage brokerages that have an endorsement need to ensure they have a thorough understanding of them.

Mortgage brokerages with an endorsement must maintain compliance with the financial security requirements set by the Superintendent. They must also provide the necessary annual filings, including audited financial statements and an audit report confirming compliance with the legislation. Additional information on these requirements can be found on our webpage.

Licensing Requirements

The Act requires that mortgage brokerages carrying on the business of brokering or administering mortgages in Saskatchewan obtain a licence to carry on business in Saskatchewan.

If you are unsure of your specific licensing requirements or need additional help or guidance, please contact our office (see the “Contact Us” section in this guide).

Apply for a Mortgage Brokerage Licence

Before you begin, please ensure you are familiar with *The Mortgage Brokerages and Mortgage Administrators Act* and *The Mortgage Brokerages and Mortgage Administrators Regulations* which outlines the requirements to carry on business as a mortgage brokerage in Saskatchewan.

A mortgage brokerage is a corporation, partnership, or sole proprietorship that:

- Solicits another person to obtain a mortgage loan or to make an investment in a mortgage, but only if the soliciting is done on behalf of another person;
- Negotiates or arranges a mortgage loan or an investment in a mortgage on behalf of another person; and
- Provides advice to a person with respect to the appropriateness of obtaining a particular mortgage loan; or making a particular investment in a mortgage.

You can access a summary of the application and the supporting material requirements in the Mortgage Brokerage Licence Toolkit which has been included in “Appendix B” of this guide and is also available on our webpage.

All applications made through RLS are subject to review and approval by the Superintendent of Financial Institutions (the “Superintendent”) and the Superintendent may require additional information regarding your application. You will be notified of the status of an application (i.e., approved, rejected or more information required) by our office.

You should have your documentation in order before you begin. If you forget or need to change some of your information, you can save your progress through the application and return to it as you need to. You can access a summary of the application and supporting material requirements in the Mortgage Brokerage Licence Toolkit.

All mortgage brokerages must have a broker invited to join the brokerage prior to review and approval by the Superintendent. Submitting your application in RLS. The broker must also be designated as the principal broker. Please refer to the “Invite Brokers/Associates” section of the guide for additional guidance or contact our office (see the “Contact Us” section in this guide).

To proceed with your application, you will need to have an RLS account already. If you do not have an account, you will need to register one. If you currently have a licence and do not know your user ID or password, please review the RLS Basics Guide before proceeding.

Apply for an Endorsement

Before you begin, please ensure you are familiar with *The Mortgage Brokerages and Mortgage Administrators Act* and *The Mortgage Brokerages and Mortgage Administrators Regulations* which outlines the requirements to carry on a business as mortgage brokerage in Saskatchewan.

You must be currently licensed in Saskatchewan as a mortgage brokerage prior to applying for an endorsement. If you are unsure of your specific licensing requirements or need additional help or guidance, please contact our office (see the “Contact Us” section in this guide).

All applications made through RLS are subject to review and approval by the Superintendent of Financial Institutions (the “Superintendent”) and the Superintendent may require additional information regarding your application. You will be notified of the status of an application (i.e., approved, rejected or more information required) by our office.

You should have your documentation in order before you begin. If you forget or need to change some of your information, you can save your progress through the application and return to it as you need to. In order to proceed with your application, you will need to have an RLS account already. If you do not have an account, you will need to register for one. 12. You will be brought to the “Broker/Associate” link page. You will need to review the broker/associate application and provide authorization for the broker/associate. A link to the Brokerage Authorization is provided on this page.

Upload the completed and signed Brokerage Authorization. The Brokerage authorization must be completed by the Principal Broker.

If further revisions are required by the broker or associate, then answer the question as [Yes]. If there are no further revisions required by the broker or associate, answer the question as [No]. A second prompt will then come up for you to send the application back to the broker or associate to make payment and submit it to the FCAA.

Please note that the broker/associate application is still subject to review and approval by the Superintendent. Providing authorization does not mean that the application has been approved.

Mortgage Administrator

This section of the guide is specific to mortgage administrators to provide guidance on specific mortgage administrator processes. If you are not currently licensed as a mortgage administrator or seeking licensing as a mortgage administrator, please refer to the appropriate section of this guide.

Compliance with Legislation

The Mortgage Brokerages and Mortgage Administrators Act and *The Mortgage Brokerages and Mortgage Administrators Regulations* provide the legislative framework for the regulation of mortgage brokerages, brokers, associates and mortgage administrators in Saskatchewan. The Act applies to all persons carrying on the business of brokering or administering mortgages in Saskatchewan.

Once you are licensed as a mortgage administrator, you must maintain compliance with the financial security requirements set by the Superintendent. Mortgage administrators must also provide the necessary annual filings, including audited financial statements and an audit report confirming compliance with legislation. If you are unsure of your specific legislative requirements or need additional help or guidance, please contact our office (see the “Contact Us” in this guide) or review the guidance available on our webpage.

Licensing Requirements

Mortgage administrators are corporations that either receives payments made by a borrower and remits those payments to the investor; or monitors the performance of a borrower with respect to his or her obligations under the mortgage. Brokers and associates do not work on behalf of a mortgage administrator; however, it is possible that a mortgage administrator will also undertake the activities of a mortgage brokerage in which case separate licences are needed for each activity.

You can access a summary of the application and the supporting material requirements on our webpage.

Appendix A: Mortgage Broker/Associate Licence Toolkit

This licensing toolkit has information relating to individuals applying for a mortgage broker or mortgage associate licence (the “Applicant”), and the supporting information to be provided under *The Mortgage Brokerages and Mortgage Administrators Act*.

Please note that as part of the licence review process, the Superintendent of Financial Institutions (the “Superintendent”) may require the Applicant to provide additional information.

Effective November 1, 2019, all applications need to be completed using the Registration and Licensing System (RLS). RLS is accessed at <https://fcaa.saskatchewan.ca/>

In RLS, an Applicant needs to be invited to apply for licensing by a mortgage brokerage. Should the application be approved, the Applicant will then be licensed to broker mortgages on behalf of that mortgage brokerage. An Applicant that has not received this invitation will not be able to submit an application for licensing. Once completed, the application will go to the mortgage brokerage for its review and confirmation. Should the mortgage brokerage confirm the application, it will be sent back to the Applicant through RLS for the Applicant to pay the associated fees and to submit to the Superintendent through RLS.

Once this invitation is received, Applicants are encouraged to go through each of the applicable licence application screens in order to identify the information that will be required. While an Applicant will not be able to submit an incomplete application, they will be able to review the RLS licence pages.

For information on the RLS system, such as how to navigate the system and how to set up one or more delegates, please also see the RLS guides on the FCAA website at <https://fcaa.gov.sk.ca/>.

If you have any questions in regards to the application forms or the supporting information, please contact the Financial and Consumer Affairs Authority of Saskatchewan – Consumer Credit Division, by telephone at (306) 787-6700 or by email to mbma@gov.sk.ca.

Application Form

The following items provide additional information regarding the fields of the online application form:

1. **Primary Contact:** the individual listed as the primary contact for the application will receive emails and may be contacted by our office regarding the application and/or licence.

The primary contact can be thought of as the “submission contact”. If an application is approved, the user that was logged in to make the application will then become the “primary owner” of the licence. While the primary owner can create delegates who can make future filings on behalf of the licensee, it is important that the primary owner be properly established in RLS. It is anticipated that the primary owner will be the person holding the licence. FCAA Staff will confirm the primary owner during the application review process. Should the primary owner need to be changed in RLS, please contact us at (306) 787-6700 or by email to mbma@gov.sk.ca.

2. **Mailing Address:** please provide the Applicant’s mailing address and contact information. Typically, all mailed correspondence will be sent to this address.
3. **Business Address:** this address will be the location where you plan on conducting your business. It cannot be a PO Box Number.
4. **Address for Service:** under Section 8 of the Act, the Applicant shall provide the Superintendent with an address for service in Saskatchewan. The address for service must be a location that maintains regular business hours and has staff available to receive documents at all times. Typically, this address would be a law firm or the office of the mortgage brokerage that you broker mortgages on behalf of. This address cannot be a PO Box number.
5. **Education:** section 4 of the Regulations require that an applicant must have successfully completed an approved educational program for their licence type within 3 years of the application date or meet an equivalent. The approved educational programs are offered by Mortgage Professionals Canada.

Course details can be found at: <https://mortgageproscan.ca/education/licensing/saskatchewan>.

If you can satisfy the Superintendent that you have a combination of education and/or experience that is equivalent to an approved educational program for that licence type, indicate “Other” on the application, use the current date, and upload a detailed response describing your combination of education and/or experience and why you feel that is equivalent to an approved educational program. Applicants seeking this approval should contact us in advance in order to obtain additional information.

6. **Principal Broker:** if the Applicant is applying for a mortgage broker licence and is the proposed principal broker for that mortgage brokerage, indicate the Applicant’s relationship to the mortgage brokerage:
 - if the mortgage brokerage is a corporation, he or she needs to be a director or officer;
 - if the mortgage brokerage is a partnership other than a limited partnership, he or she needs to be a partner;
 - if the mortgage brokerage is a limited partnership, he or she needs to be the general partner or a director or an officer of a corporation that is a general partner; or
 - if the mortgage brokerage is a sole proprietorship, he or she needs to be the sole proprietor.

7. Disclosures – Personal: Check the appropriate boxes. If you are unsure about the nature or result of any judicial, regulatory or administrative proceeding that impacts on the answer to a question, consult legal counsel.
8. Disclosures – Business: Check the appropriate boxes. If you are unsure about the nature or result of any judicial, regulatory or administrative proceeding that impacts on the answer to a question, consult legal counsel.

Supporting Documents

To meet the requirements of the legislation and to assist the Superintendent’s review and assessment of the Applicant’s suitability for licensing, RLS sets out the supporting information and/or documents to accompany the licence application.

1. Criminal Record Checks. The legislation requires that criminal record checks be dated no more than three months prior to the date of application.

If a criminal record check is required, persons resident in Canada will need to obtain it from any police agency (RCMP, municipal police in any province) or a credit reporting agency registered in Saskatchewan. You can obtain a list of registered credit reporting agencies under the Consumer Protection heading at <https://fcaa.gov.sk.ca/fcaa411>.

Persons who are not resident in Canada can provide a CRC from a police agency, or another provider. If using another provider, applicants should contact the appropriate regulatory division at the FCAA (<https://fcaa.gov.sk.ca/contact-us>) to ensure that provider will be acceptable.

2. Any other supporting information regarding this application: submit any other information the Applicant believes would be useful to the Superintendent in assessing their suitability to be licensed.

Statutory Declaration

RLS requires that the statutory declaration form be downloaded and signed. The statutory declaration needs to be signed by both the Applicant, as well as by a Commissioner for Oaths or a Notary Public. Once signed, the completed statutory declaration needs to be uploaded into RLS.

The declaration can be accessed from RLS and is attached to this licence toolkit.

Fees

Pursuant to section 5 of the Regulations, the following fees must be submitted along with your application:

1. an application fee of \$250; and
2. a licence fee of \$400. The licence fee will be refunded if a licence is not issued.

The Regulations establish that the “licence year” is July 1 to June 30. The licence fee is not pro-rated, and you will need to pay the \$400 licence fee no matter when in the licence year the licence is issued (e.g., a licence issued June 20 will have a \$400 licence fee). Refunds are not issued for any licenses cancelled or surrendered.

While the mortgage broker and mortgage associate licences are continuous, the licence fee needs to be paid for each licence year in advance (i.e. for each subsequent licence year, you will be required to pay the \$400 licence fee no later than June 30 of each year).

Application fees and licence fees are not transferable between licence types. If you are licensed as an associate, you will need to pay a new application fee and licence fee to obtain a broker licence.

Payments can be made in RLS through the Moneris system. Alternatively, Applicants may pay by cheque made payable to the Minister of Finance, and sent to us along with a copy of the RLS invoice to:

Financial and Consumer Affairs Authority of Saskatchewan
Consumer Credit Division
4th Floor, 2365 Albert St
Regina, SK S4P 4K1

Please ensure that the RLS invoice is submitted along with the cheque.

The licence fee will be refunded if a licence is not issued. A \$25 service charge will be applied for any cheque returned from your financial institution.

The Act and the Regulations can be accessed at <http://publications.saskatchewan.ca/#/freelaw>

If you have any questions, please contact us at the above address, or by phone at (306) 787-6700 or email at mbma@gov.sk.ca.

Appendix B: Mortgage Brokerage Licence Toolkit

This licensing toolkit has information relating to applying for a licence as a mortgage brokerage, and the supporting information to be provided by an applicant applying for a licence under *The Mortgage Brokerages and Mortgage Administrators Act*.

Please note that as part of the licence review process, the Superintendent of Financial Institutions (the “Superintendent”) may require the applicant to provide additional information.

Effective November 1, 2019, all applications need to be completed using the Registration and Licensing System (RLS). RLS is accessed at <https://fcaa.saskatchewan.ca/>

Applicants are encouraged to go through each of the applicable licence application screens in order to identify the information that will be required. While an applicant will not be able to submit an incomplete application, once they select the legal form of the applicant (i.e., corporation, partnership or sole proprietor) they will be able to review the remainder of the licence pages in RLS. Applicants who do not select this field may get a warning message that a mandatory field is incomplete; selecting one of these three options will allow the applicant to continue browsing the requirements.

Once the mortgage brokerage application is completed in RLS, the brokerage applicant will then be able to invite an individual to apply for licensing as a mortgage broker. This invitation must occur prior to the brokerage becoming licensed. The Act prohibits a brokerage from being licensed without at least one licensed broker, accordingly both applications need to be received prior to either application being approved.

Once invited by the brokerage, the mortgage broker applicant will then complete their licence application and submit it through RLS to the brokerage for its review and the brokerage’s confirmation that the brokerage is authorizing that individual to broker mortgages on its behalf, should licensing be approved. The individual will then complete the application in RLS and provide their application and fees to the Superintendent for review. Brokerages are required to carry out a diligent process to ensure they are comfortable with all aspects of the application from the mortgage broker, and subsequently any other mortgage brokers and mortgage associates.

If the brokerage becomes licensed, this invitation process will be used in the licensing process of all subsequent mortgage brokers and mortgage associates.

For information on the RLS system, such as how to navigate the system and how to set up one or more delegates, please also see the RLS guides on the FCAA website at <https://fcaa.gov.sk.ca/>.

If you have any questions regarding the application forms or the supporting information, please contact the Financial and Consumer Affairs Authority of Saskatchewan – Consumer Credit Division, by telephone at (306) 787-6700 or by email to mbma@gov.sk.ca.

Application Form

The following items provide additional information regarding the fields of the online application form:

1. **Primary Contact:** the individual listed as the primary contact for the application will receive emails and may be contacted by our office regarding the application and/or licence.
The primary contact can be thought of as the “submission contact”. If an application is approved, the user that was logged in to make the application will then become the “primary owner” of the licence. While the primary owner can create delegates who can make future filings on behalf of the licensee, it is important that the primary owner be properly established in RLS. FCAA Staff will confirm the primary owner during the application review process. Should the primary owner need to be changed in RLS, please contact us at (306) 787-6700 or by email to mbma@gov.sk.ca.
Section 14 of *The Mortgage Brokerages and Mortgage Administrators Regulations* (the “Regulations”) requires applicant or licensee to notify the Superintendent in writing of any change in circumstance provided to the Superintendent in the licence application.
2. **Business Name:** if the mortgage brokerage will be operating using a business / trade / DBA (doing business as) name other than its legal name please include that name as you would like it to appear on your licence and include evidence that the name has been registered with the Corporate Registry of Information Services Corporation. Section 53 of the Act prohibits licensees from advertising or otherwise indicating that the licensee is a mortgage brokerage using a name other than as set out on the licensee’s licence.
3. **Address for Service:** the address for service must be a location in Saskatchewan that maintains regular business hours and has staff available to receive documents at all times. Typically, this address would be a law firm or your principal business office. This address cannot be a PO Box number. Section 8 of the Act requires every applicant to provide an address for service in Saskatchewan, and section 19 of the Act requires every licensee to immediately notify the Superintendent in writing of a change to an address for service.
4. **Errors and Omissions Insurance:** the applicant must have errors and omissions insurance that meets the criteria of Section 6 of the Regulations. Please provide the name of the insurer, the policy number and the expiry date for the insurance you have obtained. A listing of insurers who offer the required errors and omissions insurance can be found on the FCAA website.
5. **Proposed Principal Broker:** section 22 of the Act requires every mortgage brokerage to designate one individual as its principal broker. The principal broker will serve as the main contact for the mortgage brokerage and will have sole authority for granting a broker or associate the ability to act on the mortgage brokerage’s behalf.

In RLS, when designating a principal broker, the brokerage will have to invite the broker to join the brokerage. The broker will have to complete an application in RLS. In addition to the requirement to become licensed as a broker, the principal broker has numerous duties and responsibilities that are outlined in the Act and the Regulations. To gain a thorough understanding of the duties and responsibilities of a principal broker please refer to the additional information available on the FCAA website.

6. **Money Handling (endorsement required):** indicate whether the mortgage brokerage will be receiving money from Saskatchewan consumers, whether the money received relates to fees, trust money associated with syndicated mortgages, trust money associated with non-syndicated mortgages, or from other sources. Please provide full details for each “Yes” item, including the

nature of the activities that will result in the receipt of money and/or a listing of all fees, charges including the amounts and methods of calculating such fees. This information can be uploaded in RLS in the “supporting documents” screen where there is an opportunity to “add an additional form”.

Section 5 of the Act requires any mortgage brokerage that will receive or hold trust money relating to non-syndicated mortgages to have an endorsement granted by the Superintendent prior to receiving or holding any money. You need to apply for a trust endorsement separately, and if granted, it will be clearly identified on the licence.

7. **Activities:** please indicate whether the activities of the mortgage brokerage will entail dealing with private investors, reverse mortgage loans, syndicated mortgages or the collection of advance fees. As part of your business plan ensure you provide a detailed explanation of how you intend to meet the requirements of the legislation that are applicable to the activities you will undertake.
8. **Principal Business Office:** please provide the address for the principal business office of the applicant, as well as the other indicated information. It cannot be a PO Box Number. This address is the main location from which you will conduct your mortgage brokering activities. Typically, all mailed correspondence will be sent to this address.
9. **Additional Business Office(s):** indicate the address for any additional business office(s) from which you will conduct mortgage brokering activities, along with the other supporting information.
10. **Disclosures – Personal:** Check the appropriate boxes. If you are unsure about the nature or result of any judicial, regulatory or administrative proceeding that impacts on the answer to a question, consult legal counsel.
11. **Disclosures – Business:** Check the appropriate boxes. If you are unsure about the nature or result of any judicial, regulatory or administrative proceeding that impacts on the answer to a question, consult legal counsel.
12. **Criminal Record Checks.** Criminal record checks need to be dated no more than three months prior to the date of application.

If a criminal record check is required, persons resident in Canada will need to obtain it from any police agency (RCMP, municipal police in any province) or a credit reporting agency registered in Saskatchewan. You can obtain a list of registered credit reporting agencies under the Consumer Protection heading at <https://fcaa.gov.sk.ca/fcaa411>.

Persons who are not resident in Canada can provide a CRC from a police agency, or another provider. If using another provider, applicants should contact the appropriate regulatory division at the FCAA (<https://fcaa.gov.sk.ca/contact-us>) to ensure that provider will be acceptable.

Supporting Documents

To meet the requirements of the legislation and to assist the Superintendent's review and assessment of the applicant's suitability for licensing, RLS sets out the supporting information and/or documents to accompany the licence application.

It is important that the supporting material be an accurate reflection of the activities of the applicant. The use of vague or overly general descriptions may result in processing delays. Providing incorrect information may result in a refusal, suspension or cancellation of the licence applied for and prosecution as an offence.

1. Supporting documents – upload another form: submit any other information the applicant believes would be useful to the Superintendent in assessing their suitability to be licensed.

Statutory Declaration

RLS requires that the statutory declaration form be downloaded and signed. The statutory declaration needs to be signed by both the Applicant, as well as by a Commissioner for Oaths or a Notary Public. Once signed, the completed statutory declaration needs to be uploaded into RLS.

The declaration can be accessed from RLS, and is attached to this licence toolkit.

Fees

Pursuant to section 5 of the Regulations, the following fees must be submitted along with your application:

1. an application fee of \$250; and
2. a licence fee of \$400. The licence fee will be refunded if a licence is not issued.

The Regulations establish that the "licence year" is July 1 to June 30. The licence fee is not pro-rated, and you will need to pay the \$400 licence fee no matter when in the licence year the licence is issued (e.g., a licence issued June 20 will have a \$400 licence fee). Refunds are not issued for any licences cancelled or surrendered.

While the mortgage brokerage licence is continuous, the licence fee needs to be paid for each licence year in advance (i.e. for each subsequent licence year, you will be required to pay the \$400 licence fee no later than June 30 of each year).

Payments can be made in RLS through the Moneris system. Alternatively, Applicants may pay by cheque made payable to the Minister of Finance, and sent to us along with a copy of the RLS invoice to:

4th Floor, 2365 Albert St
Regina, SK S4P 4K1

Please ensure that the RLS invoice is submitted along with the cheque.
