DECISION

PREAMBLE

The securities regulatory authority or regulator in each of the Jurisdictions (individually an “Exempting Regulator” and collectively the “Exempting Regulators”) has received from Aequitas Neo Exchange an application for coordinated relief dated June 6, 2014, as amended as at July 16, 2014 to include Aequitas as an applicant (the “Exemptive Relief Application”) under National Policy 11-203 - *Process for Exemptive Relief Applications in Multiple Jurisdictions* (or, in Québec, *Policy Statement 11-203 respecting Process for Exemptive Relief Applications in Multiple Jurisdictions*) (“NI 11-203”) for a decision under the securities legislation of the Exempting Regulators (the “Legislation”) for an exemption from the requirement for each of the Filers to be recognized as a stock exchange, an exchange, or a self regulatory organization (the “Exemptive Relief Sought”), the whole as set out in Schedule A.

Under the Process for Exemptive Relief Applications in Multiple Jurisdictions for a coordinated review application and in accordance with NI 11-203:

- (a) The Autorité des marchés financiers (the “AMF” or the “Principal Exempting Regulator”, as the case may be) is the principal exempting regulator for the Exemptive Relief Application; and
- (b) This decision is the decision of the Principal Exempting Regulator and evidences the decision of each other Exempting Regulator.

INTERPRETATION

Terms defined in National Instrument 14-101 – *Definitions* (or, in Québec, *Regulation 14-101 respecting Definitions*) have the same meaning if used in this decision, unless otherwise defined hereinafter.

In this decision,

“Aequitas Issuer” means an issuer with one or more classes of securities listed in accordance with and subject to the requirements set out in the Rules;

“Aequitas Member” means a member approved by Aequitas Neo Exchange to access the “Exchange Systems” (as such term is defined in the Rules), provided such access has not been terminated.

“Rule” means a rule, policy, or other similar instrument of Aequitas Neo Exchange, including but not limited to, trading policies and listing manual.

BACKGROUND

The *Memorandum of Understanding respecting the Oversight of Exchanges and Quotation and Trade Reporting Systems* among Alberta Securities Commission, AMF, British Columbia Securities Commission, Manitoba Securities Commission, Ontario Securities Commission (the “OSC”) and Financial and Consumer Affairs Authority of Saskatchewan came into effect on January 1, 2010 (the “MOU”).

Aequitas and Aequitas Neo Exchange have filed with the OSC an application dated June 4, 2014 requesting recognition of each of Aequitas and Aequitas Neo Exchange as an exchange (the “Recognition Application”).

On July 17, 2014, the Principal Exempting Regulator published the Exemptive Relief Application in the Bulletin of the Autorité des marchés financiers [(2014) Vol. 11, No. 28, B.A.M.F., section 7.1] and invited interested parties to make comments in writing. This publication evidenced the fulfillment of all requirements for publication pursuant to the Legislation.

On November 17, 2014, the OSC issued an order dated November 13, 2014 recognizing each of Aequitas and Aequitas Neo Exchange as an exchange, subject to the terms and conditions set out in the recognition order (the “Recognition Order”). The Recognition Order will be effective as of March 1, 2015.

Under the MOU, the OSC is designated lead regulator for the Filers.
