### **Derivatives-party-specific needs and objectives**

11. A derivatives firm must take reasonable steps to ensure that, before it makes a recommendation to or accepts an instruction from a derivatives party to transact in a derivative, or transact in a derivative for a derivatives party's managed account, it has sufficient information regarding all of the following to enable it to meet its obligations under section 12 [*Suitability*]:

- (a) the derivatives party's needs and objectives with respect to its transacting in derivatives;
- (b) the derivatives party's financial circumstances;
- (c) the derivatives party's risk tolerance;
- (d) if applicable, the nature of the derivatives party's business and the operational risks it wants to manage.

### **Suitability**

- 12. (1)** A derivatives firm must take reasonable steps to ensure that, before it makes a recommendation to or accepts an instruction from a derivatives party to transact in a derivative, the transaction is suitable for the derivatives party.
- (2)** If a derivatives party instructs a derivatives firm to transact in a derivative and, in the derivatives firm's reasonable opinion, following the instruction would not be suitable for the derivatives party, the derivatives firm must inform the derivatives party in writing of the derivatives firm's opinion and must not transact in the derivative unless the derivatives party instructs the derivatives firm to proceed anyway.

### **Permitted referral arrangements**

- 13.** A derivatives firm, or an individual acting on behalf of a derivatives firm, must not participate in a referral arrangement with another person or company unless
- (a) before a derivatives party is referred by or to the derivatives firm, the terms of the referral arrangement are set out in a written agreement between the derivatives firm and the person or company,
  - (b) the derivatives firm records all referral fees, and
  - (c) the derivatives firm or individual acting on behalf of the derivatives firm ensures that the information prescribed by section 15 [*Disclosing referral arrangements to a derivatives party*] is provided to the derivatives party in writing before the derivatives firm or individual receiving the referral either opens an account for the derivatives party or provides services to the derivatives party.

### **Verifying the qualifications of the person or company receiving the referral**

- 14.** A derivatives firm, or an individual acting on behalf of a derivatives firm, must not refer a derivatives party to another person or company unless the derivatives firm first takes reasonable steps to verify and conclude that the person or company has the appropriate qualifications to provide the services, and, if applicable, is registered to provide those services.

### **Disclosing referral arrangements to a derivatives party**

- 15. (1)** The written disclosure of the referral arrangement required by paragraph 13(c) [*Permitted referral arrangements*] must include all of the following:
- (a) the name of each party to the agreement referred to in paragraph 13(a) [*Permitted referral arrangements*];
  - (b) the purpose and material terms of the agreement, including the nature of the services to be provided by each party;
  - (c) any conflicts of interest resulting from the relationship between the parties to the agreement and from any other element of the referral arrangement;
  - (d) the method of calculating the referral fee and, to the extent possible, the amount of the fee;
  - (e) the category of registration, or exemption from registration, of each derivatives firm and individual acting on behalf of the derivatives firm that is a party to the agreement with a description of the activities that the derivatives firm or individual is authorized to engage in under that category or exemption and, giving consideration to the nature of the referral, the activities that the derivatives firm or individual is not permitted to engage in;
  - (f) any other information that a reasonable derivatives party would consider important in evaluating the referral arrangement.
- (2)** If there is a change to the information set out in subsection (1), the derivatives firm must ensure that written disclosure of that change is provided to each derivatives party affected by the change as soon as possible and no later than the 30th day before the date on which a referral fee is next paid or received.

#### **Disclosure regarding the use of borrowed money or leverage**

- 16. (1)** A derivatives firm must, before transacting in a derivative with or on behalf of a derivatives party, provide the derivatives party with a written statement that is substantially similar to the following:

*“A characteristic of many derivatives is that you are only required to deposit funds that correspond to a portion of your total potential obligations when entering into the derivative. However, your profits or losses from the derivative are based on changes in the total value of the derivative. This means the leverage characteristic magnifies the profit or loss under a derivative, and losses can greatly exceed the amount of funds deposited. Your derivatives firm may require you to deposit additional funds to cover your obligations under a derivative as the value of the derivative changes. If you fail to deposit these funds, your derivatives firm may close out your position without warning. You should understand all of your obligations under a derivative, including your obligations where the value of the derivative declines.*

*Using borrowed money to finance a derivatives transaction involves greater risk than using cash resources only. If you borrow money, your responsibility to repay the loan and pay interest as required by its terms remains the same even if the value of the derivative declines.”*

- (2) Subsection (1) does not apply if the derivatives firm has provided the derivatives party with the statement described under subsection (1) no earlier than the 180th day before the date of the proposed transaction.

### **Handling complaints**

17. A derivatives firm must document and, in a manner that a reasonable person would consider fair and effective, respond to each complaint made to the derivatives firm about any product or service offered by the derivatives firm or an individual acting on behalf of the derivatives firm.

*The obligations in Division 3 of Part 3 do not apply if a derivatives firm is dealing with an eligible derivatives party that is not an individual or an eligible derivatives party who is an individual that has waived these protections – see section 7*

## **DIVISION 3 – RESTRICTIONS ON CERTAIN BUSINESS PRACTICES WHEN DEALING WITH CERTAIN DERIVATIVES PARTIES**

### **Tied Selling**

18. (1) A derivatives firm must not impose undue pressure on or coerce a person or company to obtain a product or service from a particular person or company, including the derivatives firm or any of its affiliates, as a condition of obtaining another product or service from the derivatives firm.
- (2) A derivatives firm must, before the derivatives firm first transacts in a derivative with or on behalf of the derivatives party or advises the derivatives party in respect of a derivative, disclose to a derivatives party the prohibition on coercive tied selling set out in subsection (1) in a statement in writing.

### **Fair terms and pricing**

19. (1) A derivatives firm that acts as agent for a derivatives party in connection with a transaction in a derivative must establish, maintain and apply written policies and procedures that are reasonably designed to obtain the most advantageous terms reasonably available when acting as agent for a derivatives party.
- (2) When transacting in a derivative with a derivatives party, as principal, a derivatives dealer, or an individual acting on behalf of the derivatives dealer, must make a reasonable effort to provide a price for the derivatives party that is fair and reasonable taking into consideration all relevant factors.

## **PART 4 DERIVATIVES PARTY ACCOUNTS**

### **DIVISION 1 – DISCLOSURE TO DERIVATIVES PARTIES**

*The obligations in this Division do not apply if a derivatives firm is dealing with an eligible derivatives party that is not an individual or an eligible derivatives party who is an individual that has waived these protections – see section 7*
