PART 2 – Substance and Purpose

The two central Amendments to NI 14-101 are:

- Canadian financial institution: The amendment to NI 14-101, and consequential amendments to other instruments, provide a uniform definition of “Canadian financial institution” that applies to all national and multilateral instruments. The consequential amendments also repeal existing definitions of the same expression contained in certain national instruments.
- Handbook: The amendment to NI 14-101 introduces a revised definition of “Handbook” to reflect the separate publications of the Chartered Professional Accountants of Canada (CPAC) that set out the Canadian accounting and assurance frameworks. The consequential amendments to other instruments replace the terms “CICA Handbook”, “CPA Canada Handbook”, “Canadian Institute of Chartered Accountants (the Handbook)” and “CICA Handbook – Assurance” with “Handbook” where those terms are in reference to the definition.

PART 3 – Background

The Amendments to the definition of Canadian financial institution were initiated as a result of comments we received for the CSA project on proposed National Instrument 93-101 *Derivatives: Business Conduct (NI 93-101)*, which suggested that an update be made to the definition of “Canadian financial institution” used in proposed NI 93-101.

CSA staff studied this matter and concluded that the preferred approach would be to have a common definition in NI 14-101 of “Canadian financial institution” for all CSA instruments and to repeal definitions of that expression elsewhere in the national instruments.

The Amendments to the definition of “Handbook” were identified by CSA staff when the CPAC, formerly, the Canadian Institute of Chartered Accountants (CICA), separated the Handbook into two publications in 1999. However, the driving force for the change to the definition of “Handbook” occurred when the CICA became the CPAC in 2013, at which time it was determined that these amendments would be published for comment when other amendments to NI 14-101 were published. CSA staff determined that it is appropriate to publish the amendments to the definition of “Handbook” concurrently with the amendments to the definition of “Canadian financial institution.”

PART 4 – Summary of the Amendments

NI 14-101 (Annex A)

The amendments to the definition of “Canadian financial institution” are as follows:

- The revised definition of “Canadian financial institution” does not include a foreign bank listed in Schedule III to the *Bank Act* (Canada) (**Schedule III Bank**). Prior to this revision, the definition of “Canadian financial institution” in NI 14-101 included a “bank”, but “bank” is not defined. CSA staff determined that the definition of “Canadian financial institution” should be revised to specifically indicate that the only banks included are those listed in Schedule I and II to the *Bank Act* (Canada). Schedule III Banks are not included in the revised definition, as it would be counterintuitive to include a foreign bank as a “Canadian financial institution.”
- The revised definition includes, from the current definition of “Canadian financial institution” in NI 45-106 (which definition is being repealed as part of the Amendments) an association to which the *Cooperative Credit Associations Act* (Canada) applies, but does not include a reference to subsection 473(1) of that Act because that subsection has been repealed.
- The revised definition retains a reference to a credit union and a caisse populaire and adds a reference to a central credit union, financial services cooperative, credit union league or federation that is incorporated or otherwise authorized to carry on business by or under an Act of the legislature of a jurisdiction to ensure that the definition includes all relevant references.
- The revised definition does not refer to “the Confédération des caisses populaires et d’économie Desjardins de Québec”, as this organization is now included in the revised definition because of that definition’s references to a credit union league and a caisse populaire.

The revised definition of “Handbook” reflects that the CPAC have separate publications dealing with accounting and assurance.

Consequential Amendments (Annexes B, D and H)

Each of these annexes includes the repeal of definitions of “Canadian financial institution” from the national instruments referenced in the annexes. These definitions are no longer required in those national instruments, as the definition of that expression in NI 14-101 will apply to these national instruments.

Consequential Amendment (Annex F)

CSA staff determined that, in order to maintain the status quo for the application of the early warning requirements, an amendment was required to NI 62-103 to specifically include Schedule III Banks in the definition of “financial institution” given the exclusion of Schedule III Banks from the amended definition of “Canadian financial institution” in NI 14-101.

Consequential (Annexes B and D)

The following are consequential amendments to NI 31-103 and NI 45-106:

- References to “financial intermediary” in NI 31-103 and NI 45-106 are being removed since that expression is narrower than “Canadian financial institution” and thus not necessary.
- The definition of “bank” in NI 45-106 is being removed since it is not necessary in light of the exclusion of Schedule III Banks from the amended definition of “Canadian financial institution” in NI 14-101.

Consequential Amendments (Annexes B, C, E and G)

Subsequent to the Initial Amendments being published for comment, CSA staff determined that the following Additional Amendments, all of which are technical in nature, are required to be made to NI 31-103, 33-109F6, 52-107CP and NI 81-102:

- Reference to “CICA Handbook” in NI 31-103 is being replaced with “Handbook”.
- Reference to “CPA Canada Handbook” in NI 33-109 is being replaced with “Handbook”.
- Reference to “Handbook of the Canadian Institute of Chartered Accountants (the Handbook)” in 52-107CP is being replaced with “Handbook”.
- Reference to “CICA Handbook – Assurance” in NI 81-102 is being replaced with “Handbook”.

The terms mentioned above are in reference to the definition of “Handbook” and therefore the new definition of “Handbook” in NI 14-101 will apply in place of these terms.

PART 5- Comments and Changes

We published the proposed Initial Amendments for comment on April 22, 2021 for a 90-day comment period. We received no comment letters on the proposed Initial Amendments.

We have made a few changes to the proposed Amendments, of which, the notable changes are summarized below:

- We have added subsection 1.1(1) (d) to NI 62-103 to ensure that the reference to a Schedule III bank in this national instrument reflects the reference to a Schedule III bank in other national instruments.

- We have made consequential amendments to NI 31-103, Form 33-109F6, 52-107CP and NI 81-102, so that the terms “CICA Handbook”, “CPA Canada Handbook”, “Handbook of the Canadian Institute of Chartered Accountants (the Handbook)” and “CICA Handbook – Assurance” in these instruments match the revised definition of “Handbook” in NI 14-101.
- We have amended subsection 1.1(3) of NI 14-101, and in particular, the meaning of a “trust, loan or insurance corporation” in subsection (e) of “Canadian financial institution” by deleting the word “incorporated” and reverting to the current “authorized to carry on business” wording in NI 14-101.

In addition to the changes summarized above, the Amendments also include technical drafting changes. Since the above-noted changes are not material, most jurisdictions are not publishing the changes for a further comment period.

In addition to changes to the proposed Amendments, consequential amendments will also be made to Québec’s *Regulation 91-507 respecting Trade Repositories and Derivatives Data Reporting* and Manitoba’s *Rule 91-507 Trade Repositories and Derivatives Data Reporting* (together **Local Instrument 91-507**). CSA staff determined that, in order to maintain the status quo for the data reporting requirements, an amendment (**Local Amendment**) was required to section 25 of Rule 91-507 to specifically include a reference to Schedule III Banks given the exclusion of Schedule III Banks from the amended definition of “Canadian financial institution” in NI 14-101. A 30-day consultation period regarding the Local Amendments will be conducted in Québec and Manitoba, commencing on the same date as the final publication of the Amendments. The Local Amendments will come into force on the same day as the Amendments, namely September 13, 2023.

PART 6– Local Matters

Annex I is being published in any local jurisdiction that is making related changes to local securities law, including local notices or other policy instruments in that jurisdiction. It also includes any additional information that is relevant to that jurisdiction only.
