***CONTINUOUS DISCLOSURE OBLIGATIONS***

2. **Section 8.1 is changed by adding the following paragraph 4.1:**

**(4.1) Determination of what constitutes a business – mining assets**

While certain acquisitions of mining assets may constitute acquisitions of a business for securities legislation purposes even if they do not meet the definition of a “business” for accounting purposes, we would not consider an acquisition of mining assets to be a business requiring a business acquisition report if all of the following apply:

(a) the acquisition of the mining assets was an arm’s length transaction;

(b) no other assets were transferred and no other liabilities were assumed as part of the acquisition;

(c) there has been no exploration, development or production activity on the mining assets in the two years prior to the acquisition.

3. These changes become effective on ●.
