## **Substance and Purpose**

We are making the Amendments and Changes to address the following:

- the Canadian Securities Exchange (the **CSE**) creating, by amendments to its listing policies, a senior tier (the **CSE Senior Tier**), which is intended to be a non-venture tier but is currently categorized as a venture marketplace in securities legislation,
- ensuring that CSE Senior Tier issuers are treated the same way under securities legislation as issuers listed on other non-venture exchanges,
- the name change of the PLUS markets to AQSE Growth Market as a result of PLUS Markets Group plc selling those markets,
- the name change of Aequitas Neo Exchange Inc. (**NEO**) to Cboe Canada Inc. as a result of Cboe Global's acquisition of NEO, and
- amendments to the *Canada Business Corporations Act (CBCA)* dealing with “majority voting”, which amendments may have created uncertainty about the voting options required to be provided to securityholders in uncontested director elections of CBCA-incorporated reporting issuers and those required under securities legislation.

## **Background**

On April 3, 2023, amendments to the CSE's listing policies came into effect, creating the CSE Senior Tier. The CSE Senior Tier is intended to be a non-venture tier with initial and continued

listing requirements in line with a non-venture exchange. However, under the current definition of “venture issuer” in securities legislation, the CSE is a venture exchange.

On January 15, 2019, the legal name of Aequis NEO Exchange Inc. was changed to NEO Exchange Inc. On June 1, 2022, Cboe Canada Holdings, ULC purchased the direct shareholder of NEO Exchange Inc. Effective January 1, 2024, NEO Exchange Inc. was amalgamated with other related entities into a single legal entity named Cboe Canada Inc.

The PLUS markets no longer exist under that name and have had a name change to AQSE Growth Market operated by Aquis Stock Exchange Limited.

On August 31, 2022, amendments to the CBCA and the *Canada Business Corporations Regulations, 2001* (the **Majority Voting Amendments**) came into effect that generally require “majority voting” for each candidate nominated for director in uncontested director elections of CBCA-incorporated reporting issuers. Where the Majority Voting Amendments apply, the form of proxy must provide securityholders with the option to specify whether their vote is to be cast “for” or “against” each candidate nominated for director, rather than “voted” or “withheld” from voting as is required by subsection 9.4(6) of NI 51-102.

To address any uncertainty about the voting options required to be provided to securityholders of CBCA-incorporated reporting issuers by the Majority Voting Amendments and those required by subsection 9.4(6) of NI 51-102, on January 31, 2023, the CSA jurisdictions issued substantively harmonized local blanket orders that exempt CBCA-incorporated reporting issuers from the director election form of proxy requirement in subsection 9.4(6) of NI 51-102 in respect of the uncontested election of directors.<sup>1</sup>

In certain CSA jurisdictions, the local blanket order will expire or be revoked when the Amendments related to NI 51-102 come into force. The Ontario local blanket order will expire on January 31, 2026.
