

IN THE MATTER OF
THE SECURITIES ACT, 1988, SS 1988-89, c. S-42.2
(THE ACT)
AND
IN THE MATTER OF
THE MUTUAL FUND DEALERS ASSOCIATION OF CANADA

ORDER

(Subsection 21.6 (a) of the Act)

WHEREAS section 21.3 of the Act provides the Financial and Consumer Affairs Authority of Saskatchewan (**Authority**) with the power to recognize, on the application, the self-regulatory organization if the Authority is satisfied that to do so would be in the public interest;

AND WHEREAS the Authority recognized the Mutual Fund Dealers Association of Canada (the **MFDA**) as a self-regulatory organization for mutual fund dealers by an order dated February 13, 2001, as amended on April 16, 2004, November 9, 2006, November 13, 2008, December 19, 2008, November 6, 2014, April 11, 2018, and February 11, 2021, subject to terms and conditions (the **MFDA Recognition Order**);

AND WHEREAS on August 3, 2021, the Canadian Securities Administrators (the **CSA**) published the [*CSA Position Paper 25-404 New Self-Regulatory Organization Framework*](#) (the **CSA Position Paper**) recommending amalgamation of the MFDA with the Investment Industry Regulatory Organization of Canada (**IIROC**); and the MFDA and IIROC commenced the process of amalgamation to create a new single self-regulatory organization (**New SRO**);

AND WHEREAS on October 18, 2021, the Authority received an application from the MFDA (**Application**) seeking approval to use unallocated monies from the MFDA Discretionary Fund¹ to pay for external advisor costs incurred by the MFDA related to the creation of the New SRO (the **New SRO Integration Costs** as described in Appendix A of Schedule 1 of this Order) in accordance with subparagraph 10 (A)(v) of Schedule A of the MFDA Recognition Order²;

¹ The MFDA Discretionary Fund is an internally restricted fund established by the MFDA Board of Directors, which collects enforcement fines, imposed by order of an MFDA hearing panel, and related investment income.

² Section 10 of the Terms and Conditions states that all fines collected by the MFDA, and all payments made under settlement agreements entered into with the MFDA may be used only as follows:

- (A) *as approved by the MFDA's Board,*
- (i) *for funding the MFDA IPC*

AND WHEREAS the MFDA has submitted that

1. it has incurred, and continues to incur, the New SRO Integration Costs for the following services:
 - (i) legal and regulatory advisors to advise on all aspects of the integration of the MFDA into the New SRO,
 - (ii) consultants to advise on the integration of the MFDA into the New SRO, including advice related to corporate structure, organizational design and change management,
 - (iii) consultants to conduct an executive search for the new CEO and members of the board of directors for the New SRO,
 - (iv) accounting support to produce proforma financial statements for the New SRO, and
 - (v) compensation and benefits structure alignment advisors.
2. the New SRO Integration Costs directly arise from the creation of the New SRO, mandated by the CSA;
3. as the CSA Position Paper describes the creation of the New SRO as an initiative with a clear public interest mandate which will enhance investor protection, the MFDA is of the view that disbursements from the MFDA Discretionary Fund to cover such costs would be appropriate and consistent with the underlying intent in section 10 of Schedule A of the MFDA Recognition Order that fine and settlement monies be used for a public interest and investor protection purposes; and
4. the use of the funds from the MFDA Discretionary Fund towards the New SRO Integration Costs will not impact the availability of the funds for other expenses contemplated by subparagraphs 10(A)(i) to (iv) and paragraph 10(B) of Schedule A of the MFDA Recognition Order;

-
- (ii) *for the development of systems or other expenditures that are necessary to address emerging regulatory issues and are directly related to protecting investors or the integrity of the capital markets, provided that any such use does not constitute normal course operating expenses*
 - (iii) *for education or research projects that are directly relevant to the investment industry, are in the public interest, and which benefit the public or the capital markets*
 - (iv) *to contribute to a non-profit, tax-exempt organization, the purposes of which include the protection of investors, or those described in paragraph (A)(iii)*
 - (v) *for such other purposes as may be subsequently approved by the Recognizing Regulators*

or

- (B) *for reasonable costs associated with the administration of the MFDA's hearing panels.*

AND WHEREAS the CSA staff created a dedicated working group (the **CSA Working Group**) that conducted a thorough review of the Application and the above submissions;

AND WHEREAS, the CSA Working Group recommended that the MFDA be permitted to access, on a limited basis, costs up to \$4.29 million, as described in Appendix A of Schedule 1, for the following reasons:

- the MFDA Discretionary Fund is restricted to the expenses that are not considered operating in nature. Any costs directly associated with the MFDA integrating into the New SRO are not ordinary operating costs;
- according to the CSA Position Paper, creation of the New SRO will contribute to the regulatory framework that has a clear public interest mandate which will enhance investor protection. The underlying intent of section 10 of Schedule A of the MFDA Recognition Order is that fine and settlement monies be used for a public interest and investor protection purposes. As such, the specified use of the MFDA Discretionary Fund for the payment of external advisory costs associated with the formation of the New SRO that is in the public interest would be consistent with the intent of the MFDA Recognition Order;
- the use of the MFDA Discretionary Fund will be limited to the New SRO Integration Costs, which can only be accessed in accordance with the specific terms and conditions set out in Schedule 1 of this Order;

AND WHEREAS, based on the Application, the Authority has determined that it is in the public interest to allow the MFDA limited access to the MFDA Discretionary Fund;

IT IS ORDERED by the Authority that, pursuant to subsection 21.6(a) of the Act, the MFDA may access the MFDA Discretionary Fund to pay for the New SRO Integration Costs;

PROVIDED THAT the MFDA complies with the terms and conditions contained in Schedule 1 of this Order.

DATED July 27, 2022
