

**CSA Notice regarding**  
***Coordinated Blanket Order 13-933 Temporary exemption from the  
requirement to transmit a report of exempt distribution through  
SEDAR+ in connection with distributions of eligible foreign securities  
to permitted clients***

**July 20, 2023**

## **Introduction**

The Canadian Securities Administrators (the **CSA** or **we**) are publishing substantively harmonized exemptions from the requirement to transmit a Form 45-106F1 *Report of Exempt Distribution* (**Report of Exempt Distribution**) through the System for Electronic Data Analysis and Retrieval + (**SEDAR+**) subject to certain conditions.

Every member of the CSA is implementing the relief through a local blanket order entitled Coordinated Blanket Order 13-933 *Temporary exemption from the requirement to transmit a report of exempt distribution through SEDAR+ in connection with distributions of eligible foreign securities to permitted clients* (collectively, the **blanket order**). Although the outcome is the same in all CSA jurisdictions, the language of the blanket order issued by each province or territory may not be identical because each jurisdiction's blanket order must fit within the authority provided in local securities legislation.

## **Background**

On June 9, 2023, National Instrument 13-103 *System for Electronic Data Analysis and Retrieval + (SEDAR+)* (**NI 13-103**) came into force. Pursuant to NI 13-103, a Report of Exempt Distribution must be transmitted through SEDAR+.

## **Description of blanket order**

The blanket order provides an exemption from the requirement to transmit a Report of Exempt Distribution through SEDAR+ for a distribution of an “eligible foreign security” to a “permitted client”, as such terms are defined in the Report of Exempt Distribution. A person or company eligible to rely on the blanket order must file the form of report in Appendix B to the blanket order<sup>1</sup> in each jurisdiction where a distribution occurred in the manner set out in Appendix A to

---

<sup>1</sup> The version of the report in Appendix B is based on the version of the report that was in force on June 8, 2023. The Report of Exempt Distribution was amended on June 9, 2023, to remove certain information captured by a SEDAR+ profile, to reduce duplication, but the issuers whose securities are being reported in reliance on the blanket order are not likely to have a SEDAR+ profile.

the blanket order.<sup>2</sup>

In jurisdictions where a copy of an offering memorandum provided to a prospective purchaser is required to be delivered to the securities regulatory authority or regulator, the blanket order also provides an exemption from the requirement to transmit the offering memorandum through SEDAR+ provided that it is transmitted in the manner set out in Appendix A to the blanket order.

The exemption is available to allow the CSA to consider potential enhancements to the functionality of SEDAR+.

The blanket order does not otherwise relieve a person or company from any of the reporting requirements in Part 6 of National Instrument 45-106 *Prospectus Exemptions* or the filing fees or late fees in respect of the Report of Exempt Distribution. Reports of Exempt Distribution filed in reliance on the blanket order will be publicly available on request made to the CSA members.

### **Term of blanket order**

The blanket order will come into effect on July 21, 2023. In certain jurisdictions, the blanket order includes an expiry date based on the term limits for blanket orders in the jurisdiction.<sup>3</sup> We expect that the blanket order will be revoked or replaced before the expiry date. We will provide advance notice before revoking or replacing the blanket order.

## APPENDIX B

### Form 45-106F1 Report of Exempt Distribution

Filed in reliance on Coordinated Blanket Order 13-933

#### A. General Instructions

##### 1. Filing instructions

An issuer or underwriter must file the information required by this form in the manner specified in Appendix A to the blanket order. In all jurisdictions, the Excel spreadsheets for Schedule 1 and Schedule 2 that are available on the Canadian Securities Administrators website at the following address must be used: <https://www.securities-administrators.ca/resources/reports-of-exempt-distribution/>. In Ontario, the fillable PDF of this form available on the Canadian Securities Administrators website at that same address must be used. The fillable PDF may not be used in Québec and its use is optional in jurisdictions other than Ontario and Québec. **Note: This form is only available in respect of distributions of eligible foreign securities to permitted clients as set out in Coordinated Blanket Order 13-933 Temporary exemption from the requirement to transmit a report of exempt distribution through SEDAR+ in connection with distributions of eligible foreign securities to permitted clients.**

For all other reports of exempt distribution, an issuer or underwriter must file the information required by this form in the manner and using the templates specified in the System for Electronic Data Analysis and Retrieval + (SEDAR+) in accordance with National Instrument 13-103 *System for Electronic Data Analysis and Retrieval + (SEDAR+)* (in Québec, Regulation 13-103 respecting System for Electronic Data Analysis and Retrieval + (SEDAR+)).

The issuer or underwriter must file the report in a jurisdiction of Canada if the distribution occurs in the jurisdiction. If a distribution is made in more than one jurisdiction of Canada, the issuer or underwriter may satisfy its obligation to file the report by completing a single report identifying all purchasers, and file the report in each jurisdiction of Canada in which the distribution occurs. Filing fees payable in a particular jurisdiction are not affected by identifying all purchasers in a single report.

In order to determine the applicable filing fee in a particular jurisdiction of Canada, consult the securities legislation of that jurisdiction.

##### 2. Issuers located outside of Canada

If an issuer located outside of Canada determines that a distribution has taken place in a jurisdiction of Canada, include information about purchasers resident in that jurisdiction only.

##### 3. Multiple distributions

An issuer may use one report for multiple distributions occurring within 10 days of each other, provided the report is filed on or before the 10th day following the first distribution date. However, an investment fund issuer that is relying on the exemptions set out in subsection 6.2(2) of NI 45-106 (in Québec, Regulation 45-106 respecting Prospectus Exemptions) may file the report annually in accordance with that subsection.

##### 4. References to purchaser

References to a purchaser in this form are to the beneficial owner of the securities.

However, if a trust company, trust corporation, or registered adviser described in paragraph (p) or (q) of the definition of “accredited investor” in section 1.1 of NI 45-106 (in Québec, Regulation 45-106 respecting Prospectus Exemptions) has purchased the securities on behalf of a fully managed account, provide information about the trust company, trust corporation or registered adviser only; do not include information about the beneficial owner of the fully managed account.

Joint purchasers may be treated as one purchaser for the purposes of Item 7(f) of this form.

##### 5. References to issuer

References to “issuer” in this form include an investment fund issuer and a non-investment fund issuer, unless otherwise specified.

**6. Investment fund issuers**

If the issuer is an investment fund, complete Items 1-3, 6-8, 10, 11 and Schedule 1 of this form.

**7. Mortgage investment entities**

If the issuer is a mortgage investment entity, complete all applicable items of this form other than Item 6.

**8. Language**

The report must be filed in English or in French. In Québec, the issuer or underwriter must comply with linguistic rights and obligations prescribed by Québec law.

**9. Currency**

All dollar amounts in the report must be in Canadian dollars. If the distribution was made or any compensation was paid in connection with the distribution in a foreign currency, convert the currency to Canadian dollars using the daily exchange rate of the Bank of Canada on the distribution date. If the distribution date occurs on a date when the daily exchange rate of the Bank of Canada is not available, convert the currency to Canadian dollars using the most recent daily exchange rate of the Bank of Canada available before the distribution date. For investment funds in continuous distribution, convert the currency to Canadian dollars using the average daily exchange rate of the Bank of Canada for the distribution period covered by the report.

If the distribution was not made in Canadian dollars, provide the foreign currency in Item 7(a) of the report.

**10. Date of information in report**

Unless otherwise indicated in this form, provide the information as of the distribution end date.

**11. Date of formation**

For the date of formation, provide the date on which the issuer was incorporated, continued or organized (formed). If the issuer resulted from an amalgamation, arrangement, merger or reorganization, provide the date of the most recent amalgamation, arrangement, merger or reorganization.
